

11th International Conference on Ribosome Synthesis

Travel Fellowship - Application Form

The RNA Society and the RiboClub Society offer a limited number of fellowships to support **students and postdoctoral fellows** who otherwise would not be able to attend the meeting for financial reasons. In most cases the fellowships will be made in the form of reduced participation fees. Travel reimbursement, if awarded, will be presented in the form of a check from the sponsoring society after the close of the conference (keep your travel receipts; they will be required to receive reimbursement). No more than one fellowship per research group will be granted.

The application deadline for all travel fellowship/awards is **April 15th, 2018**. Decisions will be communicated by email no later than **May 10th, 2018**.

If you wish to apply for a fellowship, please fill this pdf form, save it and send it as file attachment by email to ribosynthesis_fellowship@riboclub.org with "Travel Grant" in the subject heading.
